

LICENSE AGREEMENT

This license statement and limited warranty constitutes a legal agreement ("License Agreement") between You (either as an individual or a single entity) and Pilot Software, Ltd (hereinafter "Licensor"). for the JWord Rich Text Editor Component (hereinafter "The Software"), including any software, media, and accompanying on-line or printed documentation. By installing, copying, or otherwise using The Software, you are agreeing to be bound by the terms of this Agreement. If you do not agree to the terms of this Agreement, you are not authorized to use this software.

Grant Of License

This Software is owned by Pilot Software, Ltd. and is protected by copyright law and international copyright treaty. The Software is licensed, not sold. This LICENSE AGREEMENT grants you the following rights:

1. You are granted a royalty-free right to make applications with The Software and distribute along with your applications. The application must be larger than the editor itself and cannot be a programmers utility like a text editor.
 - a. The Software may not be included as part of a SDK (Software Development Kit).
 - b. The Software may not be used to develop derived works that offer similar functionality as The Software, or expose features of The Software through an API (Application Programming Interface) for use by an unlicensed third party.
 - c. The Software may not be distributed with an operating system, development platform or with an application server.
2. Pilot Software, Ltd. grants use of The Software according to one of the license types below as identified in The Software title.
 - a. **Evaluation License (EVALUATION).** An Evaluation license is a non-exclusive evaluation license to use The Software for evaluation purposes only. With an evaluation license The Software is fully functional except a license notice in the editor background. When using an evaluation license The Software is strictly prohibited from being used in the production of any derived works. Any violation of this provision shall require a mandatory purchase of any required license, as well as expose the user to other legal recourse for collection and punitive damages. If you do not agree to these terms, do not evaluate The Software and remove it from your computer immediately.
 - b. **Single Developer License (DEVELOPER).** A Single Developer License licenses one (1) developer to create an unlimited number of derived works using The Software. The derived works that are desktop applications can be distributed to third-parties royalty-free. The derived works that work as a server based application can be deployed to only one site.
 - c. **Company License (COMPANY).** A Company License licenses up to ten (10) developers to create an unlimited number of derived works using The Software. The derived works that are desktop applications can be distributed to third-parties royalty-free. The derived works that work as a server based application can be deployed to only one site.
 - d. **Company OEM License (OEM).** A Company OEM License licenses up to ten (10) developers to create an unlimited number of derived works using The Software. The derived works that are desktop applications can be distributed to third-parties royalty-free. The derived works that work as a server based application can be deployed to any number of sites.
 - e. **Source Code License (SOURCE).** A Source Code License licenses up to ten (10) developers to create an unlimited number of derived works using The Software. The derived works that are desktop applications can be distributed to third-parties royalty-free. The derived works that work as a server based application can be deployed to any number of sites. Pilot Software, Ltd. grants to you one (1) personal, nontransferable, nonexclusive, royalty-free license to make and use copies of the Source Code and install such Source Code on any number of your computers (i) for your internal use , (ii) to design, develop and test your software products. You may not redistribute the Source Code, or any component thereof, whether modified or not to any third party.

Conditions of Use

1. Your license rights under this LICENSE AGREEMENT are non-exclusive. All rights not expressly granted herein are reserved by Licensor.
2. You may not sell, transfer or convey The software license to any third party without Licensor's prior express written consent.

3. You may not reverse engineer, disassemble, decompile, or modify this software or its accompanying documentation in any way. You may not use any means to discover, expose, document, defeat, or use the programming interfaces or internal logic used within the component or any parts thereof. You acknowledge that this software contains valuable confidential information and trade secrets and that unauthorized use and/or copying are harmful to Pilot Software, Ltd.

Guarantee Disclaimer

The component is licensed to the user on an "AS IS" basis. Pilot Software, Ltd. MAKES NO GUARANTEES, EXPRESS, IMPLIED, OR OTHERWISE, WITH RESPECT TO THIS SOFTWARE AND ITS ASSOCIATED FILES AND DOCUMENTATION, INCLUDING BUT NOT LIMITED TO ANY GUARANTEE OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE. Pilot Software, Ltd. DOES NOT WARRANT THAT THE OPERATION OF THIS SOFTWARE WILL BE UNINTERRUPTED OR ERROR FREE, OR THAT DEFECTS WILL BE CORRECTED.

Support

Pilot Software, Ltd. provides formal, for-fee customer support for the component as a separate service in the Pilot Software, Ltd. list of products .

Replacement, Modification and/or Upgrades

Licensor may, from time to time, and for a fee, replace, modify or upgrade The Software. When accepted by you, any such replacement or modified Software code or upgrade to The Software will be considered part of The Software and subject to the terms of this LICENSE AGREEMENT (unless this LICENSE AGREEMENT is superseded by a further LICENSE AGREEMENT accompanying such replacement or modified version of or upgrade to The Software).

High Risk Activities

The Software is not fault-tolerant and is not designed, manufactured or intended for use or resale as on-line control equipment in hazardous environments requiring fail-safe performance, such as in the operation of nuclear facilities, aircraft navigation or communication systems, air traffic control, direct life support machines, or weapons systems, in which the failure of The Software could lead directly to death, personal injury, or severe physical or environmental damage ("High Risk Activities"). Pilot Software, Ltd. and its suppliers specifically disclaim any express or implied warranty of fitness for High Risk Activities.

Termination

You may terminate this LICENSE AGREEMENT at any time by destroying all your copies of The Software. Your license to The Software automatically terminates if you fail to comply with the terms of this agreement. Upon termination, you are required to remove The Software from your computer and destroy any copies of The Software in your possession.
